## G. H. DICKSON PASSES

Funeral services for the late Gillis Hayes Dickson were conducted by Canon T. B. Winter, at the Jacques Funeral Home, Calgary, on Friday, June 20th, at 2:45 p.m.

Mr. Dan McGowan was the soloist. Many Standard and Chancellor friends attended the service.

Members of the Pioneer Lodge, No. 31, Knights of Pythias, were also present and the beautiful graveside service of the Order was performed by Pioneer Lodge.

Full bearers were Frank Kroon, G. R. Anderson, George Pedersen, F. D. Knowlton, Chris Andersen and Thos. McGowan.

Mr. Dickson was born in Hampton, New Brunswick, on November 11th, 1862, and passed away following a short illness in Drumheller on June 17th. He and his wife and family moved to Standard from Taunton, Mass., in 1917. Mrs. Dickson passed away in 1940. Surviving are his three daughters Mrs. Glen C. Phillips, Chancellor, Mrs. Frank Giberson, Chancellor, and Mrs. Russell Kidd, Drumheller.

Mr. Dickson joined the Knights of Pythias in June, 1894, and up to the time of his last illness continued a keen interest in all Pythian activities. He was made a Life Member of Pioneer Lodge on November 11th, 1932.

## RONALD ROPPEL

Ronald Lawrence Roppel, 14-month-old, of Rockyford, died Friday in University hospital, Edmonton. Rev. A. J. Cowan conducted services in Park Memorial chapel Monday at 3:30 p.m. with burial in Union cemetery.

Ronald is survived by his parents, Mr. and Mrs. Lawrence Roppel; his grandparents, Mr. and Mrs. George Roppel and Mr. T. W. Benstead, all of Rockyford.

## - EIGHTY YEARS SINCE 'THE FATHERS' -

DOMINION DAY, WHICH WILL BE OBSERVED NEXT TUESDAY, MARKS THE EIGHTIETH BIRTHDAY OF THE CANADIAN NATION.

WHILE THE PEOPLE OF CANADA MAY LACK THE SUPERFLUOUS DISPLAY OF LOYALTY WHICH IS QUITE CHARACTERISTIC OF OTHER NATIONS, THERE STILL REMAINS WITH IN THEIR HEARTS A DEEP FEELING OF DEVOTION FOR THEIR NATIVE LAND.

OUR HEARTS SHOULD UPLIFT FROM THE COMMON-PLACE TASKS OF LIFE IN GRATITUDE FOR THE PRIVILEGE OF LIVING IN THIS GREAT CANADA. FOR THE PROMISE OF SPRING, THE FLOWERING OF YOUNG SUMMER, THE BRIGHT SHAWLS AND TINKLING TAMBOURINES OF AUTUMN, FILLED IN FRUITFULNESS, FOR THE LONG WHITE SILENCE AND REST OF WINTER.

FOR THE TRANQUILITY OF BLUE DAYS AND GOLD; THE SPECTACULAR PAGEANTRY AND TURBULENT WAGNERIAN MOUNTAIN FORESTS; THE HEALING INCENSE OF THE PINES; MUSIC OF THE THUNDERSTORM; FOR THE SOLEMNITY OF AND THE ORGANIC TONES OF THE CANYONED RIVER. FOR THE LUMINOUS PRAIRIE DISTANCES, THE WINDS IN THE SAGE BRUSH, THE COLOR OF THE FAW EARTH, FOR THE SILVER SHEPHERD-MOON HERDING THE WHITE CLOUD-SEEP THROUGH THE DARKENED NIGHT SKIES.

THERE IS NO DOUBT OF IT, OURS IS A GREAT AND MAGNIFICENT LAND AND WORTHY OF BEING DEEPLY LOVED AND CHERISHED. CANADA HAS ALREADY MADE A MIGHTY NAME FOR HERSELF AMONG THE MIGHTY NATIONS OF THE EARTH. THERE IS NO DOUBT THAT, THROUGH THE CHARACTER AND INTEGRITY OF THE CANADIAN PEOPLE, THROUGH THE ENERGETIC APPLICATION OF THEIR SKILLS AND ABILITIES TO NATIONAL PROBLEMS, AND THE INTENSIVE DEVELOPMENT OF ABUNDANT NATURAL RESOURCES, THE DOMINION'S PRESTIGE, POWER AND WEALTH WILL CONTINUE TO EXPAND. DESTINY HAS MARKED CANADA FOR A MIGHTY COURSE IN HISTORY.

## WHEATLAND NOTES

The June meeting of the Board of the Wheatland School Division was held on Monday 23. Plans have been completed to open an additional intermediate room at Kathryn. Hawthorne school situated about 5 miles north and west will be moved in for additional accommodation. At Rosebud another room will be provided by moving in the old Grasswood school which has been closed for a couple of years. At Strathmore another room is to be added to the High School and there are to be three high school rooms

next year. Present plans are to move in to old Long Beach School from east of Standard, which is in very good condition, and attach it to the present high school. It was hoped that the situation with regard to building material will have improved sufficiently by the time further accommodation is required to enable the Board to proceed with the new school building plan that was approved last year.

A delegation from Rockyford and District interviewed the Board with regard to the High School situation there where it was considered advisable

## MASONIC SERVICE

On Sunday evening last, over 30 members of the Strathmore Masonic Lodge attended service in St. Michael's Church. The preacher on this occasion was Canon E. H. Madocks, Rector of St. Stephen's, Calgary and himself an active Mason. His sermon was very much to the point as he related the order of Masonry to the matter of building character, stressing the necessity of solid foundations if the column of character were to be stable.

Thrills! Chills! Aeroplane stunts starts at 1:30 on Tuesday, July 1, at the Lions Sports.

## WEDDING

RANKIN — HIATT

A wedding took place June 7, at 4:00 p.m. at the Wesley United Church where Pauline, youngest daughter of Mr. and Mrs. L. C. Hiatt of Indus, became the bride of Mr. David Forrest Rankin of Manitoba, Manitoba. Rev. Morden officiated.

Escorted down the aisle by her father, the bride wore a gown of white satin with train and finger tip veil. She carried a bouquet of white roses and gladioli.

Miss Dorothy Davies of Winnipeg, gowned in blue, was maid of honor, while Miss Joan Venini of Calgary, gowned in yellow, was bridesmaid. Mr. Champbell Waddell of Winnipeg attended the bridegroom. Ushers were Mr. Russell Coomer and Mr. Neil McKinnon of Daledale.

The wedding trip was spent in the Mountains. Mr. and Mrs. Rankin will make their home in Peterboro, Ont.

Be on hand at 1:30 Tuesday July 1 to witness the spectacular aeroplane stunts.

## FARMER'S DAY

The Annual Farmer's Day Service was held at Wyndham Park on Sunday, June 22. The service was conducted by Rev. Hunt and a large crowd was in attendance.

Afterwards a picnic supper was enjoyed by all.

## ANNIVERSARY SERVICE AT UNITED

This coming Sunday the Strathmore United Church will hold anniversary services. Forty one years ago this church had its first beginnings when Rev. W. H. Irwin held services in a railway car near the site of the present town. Sunday evening the church marks this event by a special service. As well as having music from regular choir members there will be a selection by the junior choir. Sunday school prize winners for the year will be presented with their prizes. The church has arranged to have Rev. C. Dwight Powell of St. Pauls United Church, Calgary, bring the message of the evening. Rev. Powell is Secretary of the Alberta Conference of the United Church and is the Calgary Presbytery advisor for young peoples work in the city and district.

## LETTER FROM AGRIC. MINISTER

I am pleased to accept the invitation of the Strathmore Standard to address a few words to the readers of this paper.

This country of Canada and the Province of Alberta particularly stands high as a producer of foods. The reputation which we acquired during the war must not be allowed to diminish. We should produce to a maximum, not only to feed the world but because it is to our advantage economically as well.

During this week agriculture is being featured in many newspapers across Canada. It is fitting, and especially so in Alberta, that our basic industry be so recognized from time to time. There is danger that in talking for granted the abundance which flows from the farms of this country, we are apt to forget that in many parts of the world food is scarce and people are hungry. The production of food for the human race is not only an economic activity of great magnitude, but those who engage in this work have moral and spiritual responsibilities as well.

Great developments are afoot in Alberta. New lands are being broken; new irrigation projects are proposed, and new people are coming. There is a challenge and a job to be done in making Alberta a better and a greater province.

## STANDARD NOTES

By Mrs. R. G.

Mr. and Mrs. J. Smith, Donna, and Mr. and Mrs. Wm. Christensen attended the graduation in Commerce of Ruth Smith from Mount Royal College.

Mr. and Mrs. F. D. Knowlton and Mr. and Mrs. Harold H. Larsen attended the graduation of Gwendyth Knowlton from Mount Royal College. The graduation exercises were held at Central United Church. Refreshments were served later at the College. We extend congratulations to Gwendyth on winning a scholarship and an award.

The Dorcas Society enjoyed their

annual outing on Axel Larsen's farm Wednesday evening. The lovely spacious grounds lent themselves ideally to children and adults to enjoy the warmer roast and luscious refreshments.

Mr. and Mrs. Axel Rasmussen spent last weekend in Calgary.

Rev. and Mrs. Jorgensen and Philip, Emelie and John Larsen, have left for Synodical Convention of the Lutheran Church at Racine, Wisconsin.

Mr. and Mrs. Hans Jensen and Ella have left on a trip to Denmark.

Mr. Ray Green suffered a broken rib while helping brand and vaccinate cattle at Ralph Petersen's farm.

A number of members of the O.E.S.

motored to Hussar Wednesday night and had a most enjoyable time.

Mr. and Mrs. Nels Rattenburg, Mr. and Mrs. Ted Rasmussen and daughter Donna of Audubon, Iowa, are visiting friends of the Standard district.

Mr. and Mrs. Jules Andersen of St. Paul, Minn. are visiting Mr. and Mrs. Alfred Petersen.

## RURAL GLEICHEN

There was a very good attendance at the meeting of the W.A. of St. Andrew's Church which was held at the home of Mrs. W. Sutermeister last Wednesday afternoon. This will be the last meeting until next September, when they hope to meet with Mrs. Ford in Strathmore. A delicious lunch was served at the close of the business hour.

Three carload of Gleichen U.F.W.A. ladies motored to Hussar to attend their meeting at the home of Mrs. R. E. Cable. The afternoon was thoroughly enjoyed by all, and they felt the trip well worth while.

We hope they will pay us a return visit.

Mr. and Mrs. Vic Jennings and Shirley of Calgary were visiting relatives and friends last weekend.

Relatives received word of the birth of a son to Mr. and Mrs. Newton Gillespie, nee Margaret McBeath, of Calgary.

A baby daughter was born to Mr. and Mrs. Plante at the Bassano hospital, Saturday.

C. Webster of Comrich visited a few days last week with his sister, Mrs. R. J. Burne.

There will be Morning Prayer in St. Andrew's Church on June, 29 at 11 a.m. The Preacher at this service will be The Ven. Archdeacon Axon, Calgary.

Friends received word of the death of Mrs. A. Klepper in Calgary Monday morning. They were former residents of the Gleichen district before moving to Calgary. Our sincere sympathy is extended to her son and brothers. The funeral will be Thursday afternoon.

Dr. and Mrs. A. E. Wilson left the end of last week for a week in Winnipeg. They left their older son Addison with Mr. and Mrs. J. Wilson.

Marjorie Hanna of Calgary was home over the weekend.

The baseball tournament at Meadowbrook Hall was not so well attended on account of the changeable weather but the ladies in the booth were very well pleased with their sales. The dance in the evening was very well attended and a real success.

Mr. and Mrs. A. F. Wilson, Mr. and Mrs. S. Hall and Mr. and Mrs. J. A. McArthur and Donald, and Margaret Robson were Sunday guests of Mr. and Mrs. G. Hall.

Mrs. L. Lilla entertained a group of friends at tea Thursday afternoon.

Welcome tea was held at the home of Mrs. N. A. Riddell Wednesday afternoon in courtesy to Mrs. W. Pettit and Mrs. S. Duncan, who moved to the community recently.

Contests were won by Mrs. E. Bollinger, Mrs. M. Bollinger Jr. and Mrs. B. McKelver. The hostesses, Mrs. Riddell and Mrs. Bollinger, wish to say thank you to those who helped make the occasion a success.

## ARDENODE

— By Mrs. H. S. —

Mr. H. Andrews is spending a little time looking over the Peace River country.

Miss Ethel Lewis is at present in Calgary under the Doctors care. We hope she will soon be home again.

Mr. and Mrs. Paul Bolsivert and family motored to Bonnyville, where they hope to spend several weeks holiday.

Mr. and Mrs. G. H. Godfrey and Warren, Mr. and Mrs. E. Olson and Larry, also Mr. Wm. Godfrey, spent Sunday visiting with Mr. and Mrs. E. Godfrey of Strathmore.

The school children enjoyed a very happy day last Friday at Downess, where they had a lovely picnic.

Mr. Emmett Wise is spending his summer holidays at Dalemead.

Mr. and Mrs. E. Petersen of Calgary were guests of Mr. and Mrs. Jens Petersen Sunday.

Mr. and Mrs. Horace Wise, also Mr. and Mrs. Curtis Wise of Portville, Indiana, U.S.A. are guests of Mr. and Mrs. L. M. Wise for several weeks.

Mr. G. Dawson was a Calgary visitor Tuesday.

## STOBART

A few friends called on Mr. and Mrs. Habke Saturday night, the occasion being the latter's birthday. After cards and a jolly sing song, lunch was served by the hostess. An enjoyable time was had by all.

Mr. and Mrs. Ed. Ferguson enjoyed a motor trip to Banff and Jasper and back by Edmonton. They reported a lovely trip and like all holidays go, had to come home to rest up.

Mrs. Foster is spending a few days with relatives at Shepard.

Mr. and Mrs. Ross Fiddes were guests at E.G. Ferguson's home Sunday.

Mrs. Iva Sanders is spending a week with her sister, Mrs. Geo. McLean.

Mrs. Lijja entertained a few friends at tea Thursday afternoon.

Mrs. P. Tower entertained at tea Tuesday afternoon.

Mrs. Ed Holland and baby, Heather, spent a couple of days in Calgary last week.

Rosie Jensen was taken seriously ill again and had to be moved back to the hospital in Calgary, when infection set in after her recent operation. Latest reports say she is now coming along fine and will be home again in a few days.

Jean McLean is spending a few days in Calgary.

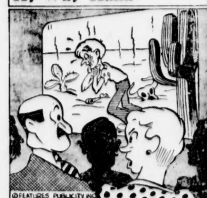

Mrs. Geo. Desjardine, who was confined a few days in a Calgary hospital, is home again and feeling fine.

### FROM THE FINANCIAL POST

## Would Like Newfoundland To Come In

The majority of Canadians answering a Financial Post questionnaire consider it desirable that Newfoundland join the Dominion. The two main advantages which are most cited were those of a united defense policy in the event of a future war; and the natural resources (waterpower, lumber, and minerals) in which Labrador, a possession of Newfoundland, abounds. Some saw economic difficulties in the path of union, but felt that these could be overcome. The majority, however, agreed that the decision should be left to Newfoundland, and that Canada should not try to influence her.

## LURED TO U. S. A.

It was with regret that we heard this week of the resignation of W. R. Hanson as district agriculturist for Pincher Creek and Cardston. Mr. Hanson has accepted a position on the agricultural staff at Salt Lake. While Mr. Hanson's interests are here and he will always look on this district as home, the greater opportunity for advancement as well as a fifty per cent

increase in pay induced him to cross the border, and so it has been with far too many of our best agricultural men. It is doubtful if any country in the world has produced more talented men in the field of agricultural research than Canada, yet their worth is more appreciated in other countries than it is at home. Time and time development of rust and sawfly resistant research, such as the miraculous desirides have been made in agricultural agriculture abreast of the times. Great success is dependent upon keeping herada's basic industry, and her future the border. Agriculture is still Canadian our best brains are lured across wheat, and early maturing varieties of grains for our northlands, to mention only a few. How much more could have been accomplished had we in Canada been willing to reward the patience, the courage and the intellect of our agricultural research men to the extent we were capable and to the degree they deserved.

## Farmer's Column

—By R. J. M.—

I once heard a man say, "Oh! I'm only a farmer." Have you ever heard that remark, I'm sure you have. I hope that phrase will never be used again. Farming has always been an honorable profession. Listen to what "Ovid" has to say about farming.

"Today, the profession of farming is more important than ever. To illustrate, have you any idea of how much food it takes for one day in a city like Montreal or New York? You as a farmer help feed the population of the world."

Probably it could be argued that towns in farming areas are there for the benefit and convenience of the farmers or that the farming population are the source of income for the towns but let us remember that both are dependent on the other.

Many years ago farming was arduous and primitive; plows were made of wood. Today, these plows have undergone many changes as has all other farm machinery. Our farmers today are intelligent and ingenious. They have to be in order to manage the large farm units with the multitudinous problems. The problems of farming are not just a local one, but are national and world wide. Hog production for Britain is a good example of the world importance of farming today.

The story of steel bears a close relationship to the advancement of agriculture. After new methods of rolling steel we find many changes in farm machinery as we also find advancements in transportation. Transportation plays a very large part in feed-

ing the world after the farmers have produced the food. Transportation, steel or farming are large subjects that would make stories in themselves.

A farmer is an individualist yet to be completely successful, he has to be community and nationally minded. Your individual problem could well be important enough to affect the entire community. Therefore, in addition to being an individualist you must be a cooperator with others. As I write on I can imagine many ways of eulogizing our farmers and stating how important they are. You should be proud to be a farmer and refrain from using the phrase, "I am just a farmer."

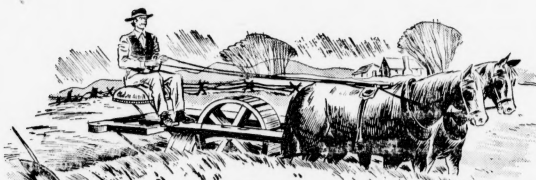

### NEW INDUSTRIES FOR N.S.

Some 52 new industries have begun operation in Nova Scotia in the past 18 months, says The Financial Post. Though many are small, some are described as "husky."

A store that doesn't advertise needs two clerks: one to carry out the other who faints when a customer comes in.

## MAKING BETTER IMPLEMENTS

*Through 100 Years..*

This type of mower was built at the Massey works as early as 1852.

ABOUT 1820 a mower was invented with a circular cutting blade which revolved against the grain, apparently imitating the action of the old scythe blade.

A few years later a mower was invented in the United States which had a sharp knife with teeth moving sideways in a row of iron fingers or guards. The first mower of this type to be made in Canada was produced in 1852 at the Massey works, the little plant which has grown into the Massey-Harris industry of today. And all through its 100-year history this company has been a leader in developing labor-saving farm devices.

The use of modern Massey-Harris farm machines has brought many benefits to Canadian farmers. The Massey-Harris Side Rake and Tedder turns the hay into light, fluffy windrows, so the air can cure it quickly. The Massey-Harris Hay Loader builds a load of well over a ton in twenty

minutes. The Massey-Harris Forage Harvester enables a farmer to cut hay at the right time—providing nutritious forage for livestock.

Massey-Harris machines mean speedy, large-scale production. They have reduced production costs per acre and have increased the farmer's yearly profit.

Massey-Harris No. 6 Semi-mounted Tractor Mower

Works equally well with any type of tractor. Power take-off driven. Fast operation with safety. Built for fast tractor operation.

Mrs. Ralph Telford was operated on in the Bassano hospital last Thursday. We wish her a speedy recovery.

Rather an unique event for the prairies took place at Lake McGregor. Near Milo on Saturday, June 14, when a 36 foot sea going cruiser was launched. This boat was built and is owned by P. S. Fairbourn of Cluny. After some introductory remarks by Mrs. Nelson of Cluny, Mrs. Fairbourn christened the boat in traditional manner, naming it "Jeanie H."

Later in the season this boat will be shipped to the Pacific coast and based at Brentwood Bay.

Mrs. Rose Konschuk and Mrs. J. H. McCallum of Edmonton were visitors at Mrs. Edward's home Thursday.

Mr. and Mrs. J. Wolfe and Margaret of Calgary were weekend visitors of Mr. and Mrs. F. S. Fairbourn.

Mrs. Iva Sanders of Calgary spent Monday visiting at the home of Mr. and Mrs. B. Reimeche.

An interesting recital was given by the Bassano and Cluny pupils of Miss Victoria Thomson L.R.S.M. in the Community all on Thursday evening, June 19. Parents and friends were well pleased with the display of talent on the part of the pupils, ranging in age from five to seventeen. Miss Thomson's careful training in technique and expression was apparent in the vocal as well as piano selections. Entertainment by guest artists

included an electric guitar solo by Mr. F. Betton, and a vocal solo by Mr. R. S. Tenove. Both were accompanied by Barbara Haymond.

A high light of the evening was the presentation of the results of recent examinations under the London Royal School of Music. Adele Corbiell and Audrey Jones received honors.

A beautiful bouquet of red roses was presented by Madeline Prowse on behalf of the pupils to Miss Thomson.

Mrs. Leroy Koefoed has as her guest for the holiday Miss M. Cooke of Penn Hall, Chambersburg, Pa.

Mrs. F. A. Haggarty of Cluny received word from Ottawa, that her brother, Fl. Sgt. R. J. Powell, has been posthumously awarded the operational wings of the R.C.A.F. in recognition of gallant service against the enemy. Fl. Sgt. R. J. Powell was killed in action May 16, 1942.

The traveling Blood Donors Clinic which will be at the Indian Hospital in Gleichen in July, have asked for donors of blood, and all who can give their blood to save some one's life should get in touch with Mrs. Peter Deshayes in Gleichen.

The party who removed the raft from Lake McGregor on the morning when the infant daughter of Mr. and of June 22, are requested to return. Mrs. Bob Goldsmith was given the same at once, as it is part of the name Sandra Isobell.

**CHANCELLOR NOTES**

Mr. and Mrs. N. I. Hansen were hosts at a Luncheon in honor of Mrs. E. Butt and Mr. and Mrs. James Butt, other guests were Mrs. H. Chamney and Mrs. J. M. Wheatley.

Mrs. J. M. Wheatley spent a few days in Edmonton.

The community was deeply grieved at the passing away of Mr. Gill Dickson, who was a very old timer in the Standard district, many friends attended the funeral at Calgary on Friday. Sincere sympathy is extended to the family.

A number of the members of "Standard Chapter O.E.S. attended meetings in both Rockyford and Hussar this week.

We are sorry to hear Mrs. S. W. Busch is quite ill in the Holy Cross Hospital and wish her a speedy recovery.

## 1867 - DOMINION DAY - 1947

The Dominion of Canada was officially formed on July 1st, 1867. Suggestions have been made in Parliament that the designation of July 1st should be changed to "Canada Day."

It could seem that the more important question is what we do with it or how we celebrate. To a great many, July 1st marks the beginning of the Summer holiday season, the exit from city streets to summer cottages. To others, it is a great day for play — baseball, golf, racing, tennis, picnics, and other forms of sporting events.

To the Fathers of Confederation it was the mark of a great dream come

true. It was the birth of a nation. It consummated a political union of the northern half of a continent.

This year, no matter how we celebrate, should we not pause at some significant moment to say to ourselves, "We have a great inheritance. We will strive to keep it strong in honor of our forefathers, and for our children and our children's children."

Canada and Canadians have the potentialities for a wonderful future. Let us each use our strongest influence to see that the "Foundations" thereof are well and truly laid, and that the hopes and prophecies of The Father's of Confederation become a reality.

## AGRICULTURE WEEK

Last week was designated and publicized as Agriculture Week—yet every week throughout the year is Agriculture Week, for it is from the product of the farm that mankind derives the sustenance for life itself.

This then is the fundamental work that enlists the interest and activity of many men and women throughout the world.

Speaking especially of our own land of Canada this field of Agriculture is fast gaining the rightful recognition it deserves but has been so long denied.

Farm organizations and Agricultural

Federations are now pleading their cause for more just consideration with a voice that is no longer ignored but is compelling attention.

Agricultural Methods have advanced so rapidly that now only intelligent, broad-visioned farmers keep pace with the upward trend. The large majority of men and women on the farm have a practical concept of many of the problems that beset our people as a whole, and earnestly desire to have these problems solved in a way that bring about general well being for all within our borders. All hail to Agriculture and Agriculturists.

## NIGHTINGALE

By Mrs. F. H.

Nightingale School children and their parents journeyed to Bowness Park last Friday to enjoy their annual picnic. There was an abundance of good food along with plenty of ice cream and soft drinks and many were very uncomfortable after dinner. There were races for the children and the park attractions, the swimming, rowing, and the merry-go-round, added much to the fun. All returned well and happy. Much credit is due the teachers, the Misses Grace Way, and Ruth Deans for a really wonderful day for the children.

Fun for everybody at the Lions Carnival, Saturday, June 28 in the Strathmore Skating Rink.

The Women's Institute held their meeting at the hall last Tuesday on account of the Conference coming on Thursday. Mrs. Don Murray was hostess for the day. The roll call was a cooking hint. After the general business a spelling bee was conducted by Mrs. Don Douglas, and Mrs. Harley Harriman won the prize.

It was decided to hold a picnic in July, and to invite the Berry Vale W. I. to cooperate.

Aa delicious tea was served to 16 members and 2 visitors.

The base ball tournament and dance held by our ball club was a decided success. Our boys won both games in the plays but all teams played good games.

A few local girls with some outside help played a ball game with Lylita and they too were winners.

The road to Dunsmuir from Nightingale has been straightened and now when gravelled will be much appreciated by those who live out that way.

Mr. Abe Walker has been nursing a very sore hand caused by a large sliver. However, Dr. Giffen fixed it up, and now he is much better.

Mr. and Mrs. Harley Harriman and Mr. and Mrs. F. H. Harriman visited with the Hildahl family at Morrin last Sunday.

resignations this year as in previous years owing to the new attractive salary schedule.

The minimum for an elementary teacher is now \$1300.00 with a possible maximum of \$2150.00 according to experience. Minimum for intermediate teachers is \$1500.00 and High School teachers \$1800.00 with increments for experience ranging similar to the Elementary. There are also allowances made for University training to a maximum of \$400.00 for a full University Degree.

able to close the high school room due to the present small enrollment. However, after full discussion it was decided to continue operation for another year on the same basis as last year with the hope that the high school enrollment might increase somewhat within a year or two.

It was decided to have all school pianos in the Division tuned and repaired during the summer holiday. All typewriters will also be cleaned and repaired.

To date twelve resignations from the teaching staff have been received and accepted and some of these have already been replaced. It is not anticipated that there will be as many

## CAMMAERT FIELD DAY WELL ATTENDED

A crowd numbering almost four hundred assembled at the farm of Emil Cammaert last Friday morning and afternoon attending the first agricultural field day of this sort to be held. Farmers and stock breeders from miles away evinced their interest by attending.

J. W. Durno, until recently fieldman for the Canadian Shorthorn Association for Western Canada, had one of the experts in this country on Shortorns, lectured the group on qualities to look for in cattle, and was followed by a class in cow-judging, as a preliminary to a contest judging a group of yearling heifers.

Winners in the judging events were Keith Halstead, of the Avondale Shorthorn Club, while Frank Bushfield of Balzac, also a member of the Avondale, was second. Third award went to Pat Cramer of Mecheche, while Jack Bushfield was fourth.

In fifth place came Rowe Harvey of Strathmore. Donald Gordon of

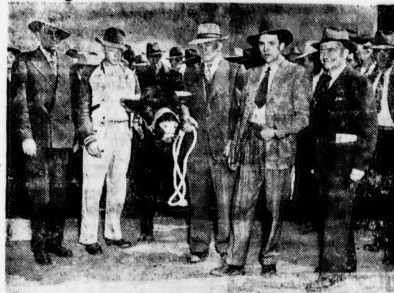

legumes necessary to demonstrate and amplify many of the points discussed.

Crops on the farm were used to illustrate many points of argument, and large numbers of questions and considerable interest were produced for this reason.

A basket lunch on the lawn was

enjoyed by everyone during the noon-hour. Later in the afternoon, while the livestock sessions were in progress, the women spent on interesting session with Miss J. Murray, district home economist, discussing home arrangements.

Arrangements for this very successful day were the work of Mr. Emil Cammaert and his partner at Dalroy, Mr. Walter McCollister, and of R. J. Milligan, Strathmore.

The junior judging contest was a Cashier (Imp.) Walter McCollister, decided success. From left to right: Dalroy; Keith Halstead, winner of the J. W. Durno, Calgary, who lectured on contest; and G. S. Black, supervisor of livestock; Frank Bushfield, of Balzac, junior activities. second prize winner; Fairington

Strathmore was sixth. John McLaughlin of Dalroy seventh, Kendall Altonby of Shepard was eighth, Bruce Clark of Benyon ninth and Leta Boake of Acme tenth.

Judging of the contest was carried out by Mr. Durno, and G. S. Black, supervisor of junior activities for the provincial department of agriculture. Both judges complimented the young people on the standard of their judging. It was pointed out with regret that more of the judgers would have been present, but for the writing of final exams.

The field crop program was carried out during the morning by J. S. Birdsall, of the field crops section at Edmonton, and R. J. Milligan, District Agriculturist. It was shown that the Cammaert farm was exceptionally well suited for such a day, since it contained the variety of grasses and

Chase and family for several days. During their stay they plan to visit Banff, Lake Louise, and other attractions in addition to the Stampede.

Mrs. Scheer and Miss Ruth Scheer entertained again on Wednesday at a very enjoyable afternoon tea.

Miss Dorothy Scott will go to Vancouver.

### DALEMEAD NOTES

By D. V. V.

Mr. and Mrs. S. M. Newton are visiting friends and relatives in the Central States.

Mrs. Salmon of Calgary spent the weekend with her daughter, Mrs. L. Wheeler and family.

Mrs. J. Brand was visiting last week with her daughter, Mrs. H. Kautz and family.

Mr. and Mrs. M. M. King returned to visit friends after a year's trip in the States. They will make their future home in B.C.

Mrs. E. Newton isn't so well. We wish her a speedy recovery and hope she will be able to be home soon.

On June 21 the McKinnon picnic was held at the Bow River flat near the site of their old home. Friends, neighbors, and relatives from near and far were there to honor Mr and Mrs. L. McKinnon, who now make their home in Calgary, and their children, Mrs. Fuller of Indus, Mrs. C. Colwell, Mr. C. McKinnon, Mr. A. McKinnon all of Dalemead, Mrs. H. Farthing of Red Deer, Mr. D. McKinnon Carleton, Mrs. D. Bishop and Mrs. McKenzie, Mr. F. McKinnon, all of Calgary, Mr. A. McKinnon and Mr. E. McKinnon of Aldridge and Mrs. C. Hurst of Ottawa. This is the first time in years that all the McKinnon family have been able to be together for a family gathering. A Buffet supper was served. Speakers during the evening were Mr. Frank Collier, Crossfield, Alta; Mr. Fred Graham, Calgary; Mr. Bill Wilde, Red Deer; Mr. Eric McGeet, Calgary; Mr. Oscar Moorehouse, Calgary; and Mr. W. E. Hall of Calgary.

Races, Tug of War and Ball games were enjoyed by all.

Mr. and Mrs. McKinnon have 30 grandchildren and one great grandchild. Every one reports a swell time at the picnic and wish our honored Hosts the best of health and another grand picnic for the next year.

Dr. and Mrs. A. Johnson and daughter, Mary Ann, of Denver, Colorado, spent Sunday evening at the Martin Van Der Velde home.

Mr. and Mrs. N. Palmer of Calgary and son, Harry, were Sunday guests at the A. Van Der Velde home.

Mr. and Mrs. Frank Winkler and son, Daryl, spent a week vacationing in the mountains.

## MECHANIZATION IN SOIL CONSERVATION

Stressing the consideration of mechanization in the treatment of soil erosion and conservation, L. B. Thompson, Superintendent, Dominion Experimental Station, Swift Current, Sask., and P. O. Ripley, Dominion Field Husbandman, say in part in the Agricultural Institute Review that mechanization of agriculture in Canada has endeavored to meet the growing demand for greater efficiency. In a measure, it has been successful, but the effect of mechanization on the soil has not been recognized in a general way until recently. There is not a province in Canada that does not have a soil conservation problem of some and, yet mechanization has developed with little or no consideration for this fact. To preserve the soil for future generations, mechanization must be guided so that there will not be a recurrence of the present situation.

Many claims have been made for different implements in minimizing soil drifting and erosion, but research studies carried out for a number of years show the following results: (1) the type of tillage implement used has no effect on the amount of soil moisture conserved; (2) an implement suitable for one soil type may give an entirely different result on another type of soil; (3) the conventional disc and mouldboard type implements must be controlled so that they will not travel at more than 3½ miles per hour. If they do, the soil will be excessively pulverized and will be subject to a loss of moisture and soil erosion. The plant residue will not be anchored in the soil and will blow away when the first wind occurs.

Mechanization in the future must be directed so that the above factors will not be overlooked. Up to the present time, most tillage implements have been designed for horse power or slow-speed tractors. As a result, there is a grave danger of tilling machines being operated at too high speeds. Therefore, for future soil conservation it is of paramount importance that every effort be made to reach a proper relationship tillage machines and tractors. It would seem an opportune time for agricultural

engineers, and all others associated in the mechanization of farming, to give first priority to its application from the standpoint of soil conservation.

## Origin of Women's Institutes

GUELPH, Ont., June 19—The Women's Institutes from an original group of 101 women in a small Ontario village to an international organization with hundreds of thousands of members throughout the world will be recalled here tomorrow when more than 5,000 women meet for the 50th Women's Institutes of Ontario.

A colorful, historical pageant will depict the halfcentury of the Women's Institute — founded at Stoney Creek, Ont., February 19, 1897 — and representatives from every province of Canada will be present.

The death of an 18-month-old boy from drinking impure milk gave the original impetus to the movement. His mother, Mrs. Adelaide Hunter Hoodless, wondered why farmers gave so much thought to feeding their stock and so little to feeding their children. At the local Farmer's Institute, she suggested farmer's wives meet regularly to study homemaking. The idea caught on and spread throughout Canada.

It reached Great Britain during the First World War and spread throughout the world in 1935 the Associated Country Women of the World was formed with a Canadian, Mrs. Alfred Watt, as first president.

## Thrill of a Lifetime

Some 32 Canadian Boy Scouts are due for a thrill when, on August 2nd, they sail from Halifax aboard HMCS Warrior, Canada's first aircraft carrier. The lads will be members of the Canadian contingent to the Boy Scout Jamboree of Peace in France which will be attended by 30,000 Scouts from 40 different countries. The Jamboree Troop, which will be representative of all Provinces, is scheduled to assemble in Halifax on July 27, for a six-day training period at the Halifax District Scout Camp at Miller's Lake. Three leaders will accompany the Troop overseas.

### CHRISTIAN SCIENCE

The theme of the Lesson-Sermon in Christian Science churches Sunday will be "Christian Science." It is elucidated in passages such as these: "Verily, verily, I say unto you, He I do that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father." (John 14: 12). "The theology of Christian Science includes healing the sick. Our Master's first article of faith propounded to his students was healing, and he proved his faith by his works." (Science

## Bracken May Quit

There is some fire smoldering underneath the flame fanned by the suggestion that John Bracken might resign the P.C. leadership and be replaced by George Drew.

For many weeks now, says The Financial Post, reports have circulated from highly responsible sources that John Bracken is not nearly as well as when he came from Winnipeg. These reports do not suggest that Mr. Bracken is in any sense incapable of carrying on the leadership for some time to come. They do question whether any continuation of ill-health or present symptoms might jeopardize his ability to fight out a tough and bitter general election campaign.

## EVERYBODY'S BUSINESS

by Don Graham

"Find out where your job fits in!"

This, I think, would make an excellent message for a signpost on the road to success.

Many a man is so absorbed in his immediate task that he fails to make a study of the history and nature of his business, and the methods of successful competitors. Years from now, he will still be doing the same "immediate task."

But the man who is ambitious is usually curious. He talks to people to get their ideas and opinions. He is observant. And he reads.

There are many good books on almost every commercial operation. I have read many and invariably found them more informative and interesting than I had expected.

Yes, such information-quests do pay — always in the long run, and often in early promotions.

A business everyone should know something about is Life Insurance. It protects the future of more than four million Canadian policyholders and their families. It offers an easy, systematic way to save and achieve security.

and Health with Key to the Scriptures, by Mary Baker Eddy, pp. 145, 146. Miss Helen Boisvert has joined the staff of the Royal Bank and commenced her duties Monday last.

## LANGDON NOTES

— By G. E. W. —

At the Institute meeting held on Wednesday afternoon June 18, the Handicraft work was on display and many lovely and useful articles have been made by the members during the past year. The articles will be shown in Strathmore on Thursday afternoon where we compete for the T. Eaton cup. The business meeting was opened by saying the creed, and the minutes of the last meeting were read.

It was decided to send \$10.00 to Mrs. McGorman to keep towards the expenses for Mrs. Morton, provincial president, who is leaving in September as delegate to Holland.

A letter from Mrs. G. Newton, who is now at home from hospital, was read.

Mrs. Ed Snider gave her paper on "Immigration," which was much enjoyed.

Lunch was served by the hostesses, Mrs. H. Nickelsen and Mrs. B. Thomas.

The Girl's Club met on Thursday evening, Miss Joan Korneghan in the chair, minutes of the last meeting were read. The girls will serve lunch of winners, buns, pie, coffee or tea in the W.I. Hall on Saturday evening, July 5, 8:00 p.m. Come along and enjoy your evening, in this way you are helping to support the Girl's Club.

Everybody had a good time at the School picnic, held on Friday in Mr. Bate's Shady Grove of trees west of the school, in spite of the threatening day of rain. After lunch, races were run off and the ball games were played between the men and boys and ladies and girls, and a lot of fun was had. A vote of thanks was given to the teachers for their help by Mr. P. Thomas, and to Mr. J. J. Colwell, and Mr. J. Bates for their cooperation by Mr. Dick Bittle, in making this picnic a success.

Margaret Courtney is home after her recent operation for tonsils.

The Oddfellows and their families enjoyed their Annual picnic held down at the river on the McKinnon ranch Sunday afternoon. Ball games were enjoyed, also the races, for the children. Picnic baskets were brought by the members and a delicious lunch was enjoyed by all.

The Rev. Mr. and Mrs. Jake Reimer are now living in Langdon where Mr. Reimer has charge of the Langdon Baptist Church.

## NAMAKA NOTES

Mr. and Mrs. Tony Zinacmeyer and small son, Wayne, of Calgary, spent the weekend with Mary Kramer and Hilda Fossum.

Mr. and Mrs. Alex Peterson and family visited with Mr. and Mrs. Ray Despas of Herronton on Sunday.

Mr. and Mrs. Art Anderson of Calgary were guests of Mr. and Mrs. L. R. Aitkens for a few days last week. They were en route home from a two week visit with relatives in the States. Mrs. M. A. Watts spent Sunday with Mr. and Mrs. Chester Edwards and family of Latham.

Miss Adele Mason returned home from hospital this week feeling much improved, but still confined to home.

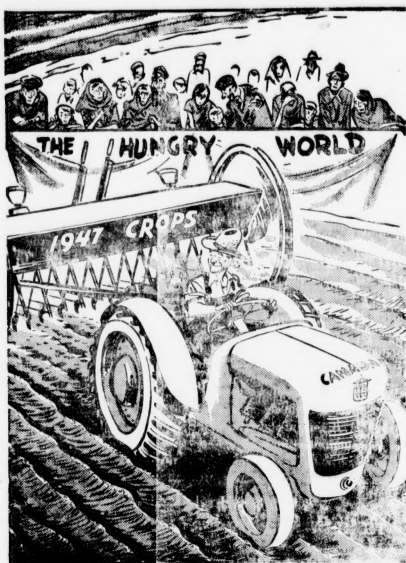

Miss Hilda Fossum's mother spent Tuesday and Wednesday visiting at the teacherage.

Mr. and Mrs. L. R. Aitkens entertained at eleven tables of whist in the Hall last Wednesday evening. Everyone reported having had an enjoyable time.

Mr. John Gossen left last week for a visit with friends in B.C.

The W.A. was held at Mrs. N. Hanson's last Thursday with 14 present. This was the social meeting of the year and games were played, prepared by Mrs. Aitkens and Mrs. Watts. Mrs. L. Wheeler, Mrs. C. Mackie, Mrs. Petersen and Mrs. Biggar were on the lunch committee. The next meeting will be in August at Mrs. H. Thomson's. It will be in the form of a garden party at which everyone will be welcome.

## Calling All Cars in need of better service

Many car owners have come to us and said "I've heard so many nice things about you that I wish you would service my car—but unfortunately it isn't a Chrysler or a Plymouth."

So right here and now we cordially invite any motorist—no matter what make of car he drives—to come to us if he is looking for better service. We guarantee the same prompt attention, careful work and fair dealing that has made our Chrysler and Plymouth owners so happy.

## ROCKYFORD NOTES

Last Thursday evening The Order of The Eastern Star celebrated their fifteenth birthday. Approximately 100 guests were expected but due to the threatening weather only 55 were present.

The tables, arranged to resemble the five points of the star, were beautifully decorated in the star colors each table having colored baskets and gold keys as place cards.

A three tier birthday cake adorned the head table, it having fifteen candles in star colors.

Everyone reported having a wonderful time.

Mr. George Heimbecker and his bride left England on June 23 by plane for Rockyford. On the way they will make several stop overs at New York, Toronto and other places. They expect to arrive in Calgary in time for the Stampede.

Mr. Kurcinski, section foreman at Tudor, spent the weekend with his family in Langdon.

The community joins in extending its deepest sympathy to Mr. and Mrs. Lawrence Roppel, upon the recent death of their baby boy, Ronald.

Rockyford succeeded in being victorious for the third time on Wednesday at the tournament which took place in Meadowbrook.

Mr. and Mrs. Harry Clemens and Brian left for Edmonton on Monday and expect to return about Thursday of this week.

## CARSELAND

Mrs. M. Raycraft, nee Mae Jamieson, is spending a few days with her sister, Margaret, at Olds.

Mr. and Mrs. M. M. King, formerly of the Dalemead district, payed the Carseland and Dalemead communities a surprise visit last week. While visiting they stayed with Mr. and Mrs. Stirn, before returning to their home at Vancouver.

Mr. Martin Christensen was flying in style last week when an Airplane piloted by Bill Christensen of Carman-gay dropped down for a little social visit. Ten minutes after taking off again Martin and the pilot were seen walking down the streets of Strathmore. The time cut by our travel has many advantages and Martin believes Dobbin is definitely "Reddy for Freddy."

Mr. Jack Kennebaugh and Hurrel Cote spent the weekend visiting with Jack's relatives at Acadia Valley.

Mr. and Mrs. C. Evans of Gleichen spent Sunday visiting with Mr. and Mrs. D. Anderson.

Miss Sanders spent the weekend at

Some of the young fry went to Car-bon on Sunday and after a dip in the nle in the park.

Mr. Bill Dawson of Tudor had the misfortune of tearing the muscles away from his ribs at the ball game at Meadowbrook. Bill will be unable to play for a while and is under the Doctors care.

her home in Calgary.

Mrs. J. Stinson spent a few days at her home in Carseland.

Mr. and Mrs. Stencoe of Hussar spent Sunday at the home of their son and daughter-in-law. Mr. and Mrs. John Stencoe.

Miss June Gehrke of Calgary is spending her holidays at home.

Work on Max Phillips new house is coming along quite famously and the old one has been torn down already with the foundation for the new one already poured.

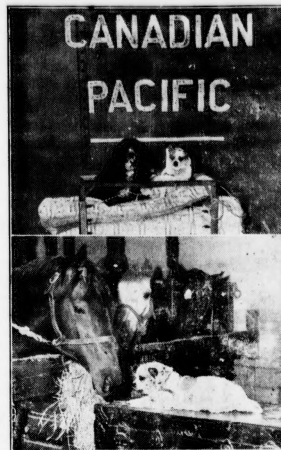

Carseland railway crossing was the scene of a bad accident Monday morning, when a loaded gravel truck driven by J. Kaylor of Calgary was hit directly by the second section of the morning passenger. The gravel box was torn completely off and the cab was carried on the cow catcher for 200 yards before the train could be stopped. Mr. Kaylor was treated by Dr. Giffen before he was taken to a Calgary hospital on the train.

Billy Hanson spent the weekend in Lethbridge. What's Lethbridge got that Calgary hasn't, Bill?

## Horses And Friends

Wherever Race-horses are to be found, one can also find a large number of cats, dogs and other assorted mascots. Shown here are some of the pets that accompanied the C.P.R. race-horse special when it arrived in Winnipeg recently carrying 500 horses which are on the western racing circuit. In the upper left, two dogs maintain guard over their master's cot outside the horse-car, while in the other two scenes a dog and cat keep company with their larger friends.

Big business often springs from little classified.

## IN MEMORIAM

In loving memory of John R. Christofferson who passed away June 30, 1945.

"They say time heals all sorrows, And helps us to forget, But time so far has only proved How much we miss you yet. God gave us strength to take it And courage to bear the blow, But what it meant to lose you, No one will ever know."

Ever remembered by his wife and family.

## MELENDY

In loving memory of Galois Melendy who was killed suddenly June 21, 1946. There is a family who misses you sadly.

And finds the time long since you went. And thinks of you daily and hourly, But tries to be brave and content. But the tears that we shed in silence As we breath a sigh of regret, For you were ours, and we remember Though all the world forget. Sadly missed by your wife and family.

## GODFREY

In loving memory of Mrs. Charlotte Godfrey who passed away June 18, 1945, always remembered by Mr. and Mrs. E. Olson, also Mr. and Mrs. G. H. Godfrey, Mr. Wm. Godfrey, Mrs. Oscar Olson, and all the grandchildren.

Many a day her name is spoken, And many an hour she is in our thoughts. A link in our family chain is broken. She has gone from our home But not from our hearts.\*
